# The Expert Witness Institute's Annual Conference and AGM 2010:

## Expert Witnesses – Vital to Justice

Wednesday 30th June 2010

The 2010 Expert Witness Institute Conference is to be anticipated. As always, there are well-known speakers reviewing topical subjects but this year, uniquely, the Expert Witness Institute will be addressed by four Lords, namely Lord Chief Justice, Lord Tebbit, Lord Justice Jacob and Lord Justice Jackson. As always, we look forward to the views of James Badenoch and we are delighted that Robert Musgrove, Chief Executive of the Civil Justice Council, will be joining us.

It will prove to be a valuable day and this year will conclude with the Annual General Meeting. A new initiative this year is the Annual conference Dinner at The Reform Club and hopefully as many of the delegates as possible will join us in the evening. Question Time remains as a feature and an opportunity to challenge the panel.

The programme will be stimulating, challenging, as well as informative. As always, there will be the opportunity to meet and share views with colleagues in your own and other fields. The Conference is now firmly established at Church House, Westminster. Do be sure to join us and can we tempt you to bring guests and colleagues as a way of introduction to the Expert Witness Institute.

### Sponsorship

The EWI welcome sponsorship from organisations who wish to showcase their expertise and have the opportunity of networking with experts from many varied professions.

### Sponsorship Options

For organisations or individuals wishing to target specific materials or social events during the conference, individual sponsorship provides an attractive option. We have put together 3 different packages. All sponsors will be listed in the conference programme.

## The Expert Witness Institute (EWI)

- Acts as a voice for expert witnesses, especially in communicating with the media.
- Provides support to experts of all professional disciplines and other occupations requiring skills and judgements.
- Encourages lawyers to make use of experts where specialised knowledge is required.
- Engages in the training of experts to maintain and enhance standards and their status.
- Works actively with other allied professional bodies and associations.
- Makes representations to Government and to professional bodies and associations wherever appropriate.
